TOPICAL ARTICLES

If your child or family is wrestling with any of the below issues, or you want to know how to handle the inevitable conversations that will come check out these articles. Some are links to specific articles, and others contain several articles. Here you will find quick and well thought out Bible-based perspectives on each of these topics.

- ▶ [Media](#)
- ▶ [Discipleship](#)
- ▶ [Blended Family/Single Parent](#)
- ▶ [Porn](#)
 - ▶ [Covenant Eyes](#) - A accountability software that has both a very user friendly website blocker and accountability system for those struggling with porn. Does cost around \$10 a month.
 - ▶ [XXX Church](#) - Similar accountability software to Covenant Eyes.

▶ [OpenDNS](#) - A web blocker that blocks all pornographic or other wise inappropriate sites through the wifi signal. This is helpful because it will be a website blocker for ANY device (phone, computer, tablet, game system, etc.) connected to your wifi. It does take a little bit more time and tech knowledge to get it working, but it's free and effective.
