- 1. Have you ever experienced any of these feelings and struggles? If so can you explain or give an example?**

Do you feel like a failure trying to live a godly life?

Do you constantly struggle spiritually, never seeming to gain any victory over the temptations and habits you fall to?

Are you missing the joy of living for God, of serving God?

Is your faith making any real difference in your life, or are you the same old person you've always been?
